Special Guests

We treat your pet as our special guest. All of our guests receive treats and private petting sessions twice a day. This is included in your daily fee. Additional play sessions or leisure walks can be purchased. Our facility is located on 8 beautiful wooded acres with lots of walking paths.

We feed ProPlan Premium Performance, a top quality food, at no extra charge. We also offer two other types of diets, a senior feed and a puppy feed (for dogs under 18 months), both made by ProPlan. However, if you wish your dog's diet not be changed, you can provide your own food. We will guarantee your feeding instructions are followed to the letter.

Our Veterinarian

Our Emergency veterinarian is Dr. Craig Butler. Should the need arise, we will make every effort to contact your personal veterinarian. And if medical services are required after normal hours, the Evansville Emergency Vet Clinic will be used. The pet's owner is responsible for all medical bills and said bills must be paid immediately.
